An Industrial Compressor Sales and Service Company

About Us

Since 1977, Air Handling Equipment has provided compressed air system solutions to the Central, Midwestern, and Southern Ohio Markets as well as Northern Kentucky Markets. Representing some of the best manufacturers in the world, we can support all your compressed air system needs. In addition to these world class systems, we offer 24/7 factory service support, installations, rental units, and compressed air quality and energy audits.

Our Mission is to help our customer's reach their goals by eliminating compressed air system downtime and inefficiencies. You can trust this will be our every effort!

Dedicated to Helping our Customers Reach Their Goals
